Our History...

Al (Bonzo) and Rose Ann Westphal purchased the Iron Ridge Inn back in 1972. Starting with a seating capacity of ten people, the Inn progressed adding a salad bar with homemade soups, and famous mouth-watering prime rib. While running a successful business, Al and Rose Ann also found time to raise three daughters and two sons. All the children worked hand in hand with their parents to help the business grow.

In September 1996, a brand new restaurant was built which seats up to 250 people. Currently, Julie, alongside her four children, family members and many hardworking employees operate the Inn.

While running the restaurant, the Westphals had many inquiries regarding local lodging. In 1986 they ventured on and opened a twelve-unit motel with an indoor pool and whirlpool. Since then eight additional rooms were added. In February of 2006, the Motel was purchased by Don and Heidi Newland.

On December 30, 1996, after almost 25 years of being in business, Al passed away. He has left a lot of wonderful memories with his family and friends and will always be remembered as the ambitious entrepreneur who started it all.
